

The Pegasus Project

Request for Sponsorship

What: A Trainer/Rescue Horse Exhibition and Competition Resulting in an Auction Style Adoption Event.

When: June 29, 2019 – 10:00 a.m. to 4:00 p.m.

Where: Jackson County Expo Center – Izola Arena – Central Point OR

Why: To Benefit Rescue Horses of the Klamath Basin

Project Spirit Equine Rescue and Rehab has been involved with horse rescue and rehabilitation since 2009. The objective is to help horses in need, rehabilitate them, provide them with the skillset to allow them to become active equines, and find them acceptable homes via adoption. The challenge of placing rescue horses is that most are either untrained or have lost faith in humans. The key to making them viable animals is to provide training that considers their past.

The Pegasus Project is an event that allows horses to be trained by professionals, present an event showcasing the horses and trainers, and finally provide an activity to allow the public watch the performance, pick their favorite horse(s), bid on them, and take them home. Project Spirit Equine Rescue and Rehab is a 501 © 3 non-profit organization, and relies on donations and volunteers to remain in operation.

Please consider this event and its usefulness to the horse and human community. I respectfully request your support as a sponsor for this event. Sponsorship will result in advertisement for your business as well as provide an opportunity for a tax deduction. Tiered sponsorship levels are offered to allow for the best fit for your organization while supporting ours.

The deadline for sponsorship is May 1, 2019 to allow printing on the event advertising. Sponsorships will be accepted after the May 1st deadline, but there can be no guarantee of add placement after this date.

I thank you in advance for your support.
Sincerely,

Connie Willard
